[Peter Robin](https://linkedin.com/in/peterrobintoronto)
Former CEO, ProdigyBank · Managing Partner, Vaco (post-acquisition)
Former CEO, Oralinx

Peter hired me at ProdigyBank (later Vaco, post-acquisition), where I initially reported to him as a Technical Lead. During this time, he promoted me to **Director of Technical Solution Delivery**. We later worked together again when he was CEO of Oralinx, where he contracted my consulting practice to assist with system documentation and performance analysis.

[Willian Correa](https://linkedin.com/in/williancorrea)
Former VP of Technology, Rangle.io

Willian hired me at Rangle.io and was my direct manager until his departure. I worked closely with him on technical leadership, delivery quality, and developer growth initiatives.

[Jason Santos](https://linkedin.com/in/luisjasonsantos)
Principal Technical Director, Rangle.io

Jason became my direct manager following Willian's departure. We worked together on client delivery, technical leadership, and execution across multiple engagements.

[Nick van Weerdenburg](https://linkedin.com/in/nvanweerdenburg)
CEO, Rangle.io

Nick is the CEO of Rangle.io. I worked with him directly on occasion, particularly around organizational direction, delivery standards, and senior technical leadership.

[Nikhil Metrani](https://linkedin.com/in/nikhil-metrani)
Manager, Avanade (Accenture)

Nikhil was my manager at Avanade, where I worked on large enterprise programs across telecom and financial services.
